CONVENIENCE TRANSLATION INTO ENGLISH OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD 1 JANUARY - 31 DECEMBER 2021 TOGETHER WITH INDEPENDENT AUDITOR'S REPORT ORIGINALLY ISSUED IN TURKISH

#### CONVENIENCE TRANSLATION INTO ENGLISH OF INDEPENDENT AUDITOR'S REPORT ORIGINALLY ISSUED IN TURKISH

#### **INDEPENDENT AUDITOR'S REPORT**

#### To the General Assembly of Yapı Kredi Yatırım Menkul Değerler A.Ş.

#### A. Audit of the Consolidated Financial Statements

#### 1. Opinion

We have audited the accompanying consolidated financial statements of Yapı Kredi Yatırım Menkul Değerler A.Ş. (the "Company") and its subsidiary (collectively referred to as the "Group"), which comprise the consolidated statement of financial position as at 31 December 2021 and the consolidated statement of profit or loss, consolidated statement of other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended and the notes to the consolidated financial statements including a summary of significant accounting policies.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Group as at 31 December 2021, and their financial performance and their cash flows for the year then ended in accordance with Turkish Financial Reporting Standards ("TFRS").

#### 2. Basis for Opinion

Our audit was conducted in accordance with the Standards on Independent Auditing (the "SIA") that are part of Turkish Standards on Auditing issued by the Public Oversight Accounting and Auditing Standards Authority (the "POA"). Our responsibilities under these standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We hereby declare that we are independent of the Group in accordance with the Ethical Rules for Independent Auditors (including Independence Standards) (the "Ethical Rules") and the ethical requirements regarding independent audit in regulations issued by POA that are relevant to our audit of the financial statements. We have also fulfilled our other ethical responsibilities in accordance with the Ethical Rules and regulations. We believe that the audit evidence we have obtained during the independent audit provides a sufficient and appropriate basis for our opinion.

#### 3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. Key audit matters were addressed in the context of our independent audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

PwC Bağımsız Denetim ve Serbest Muhasebeci Mali Müşavirlik A.Ş. BJK Plaza, Süleyman Seba Caddesi No:48 B Blok Kat:9 Akaretler Beşiktaş 34357 İstanbul-Turkey T: +90 212 326 6060, F: +90 212 326 6050, www.pwc.com.tr Mersis Numaramız: 0-1460-0224-0500015

| Key audit matter  | How our audit addressed the key audit matter  |
|---|---|
| Revenue recognition   |   |
| The Group recognized a total of TRY 5,881,618,721<br>of income under "revenue" and "revenue from<br>financial service activities" items on its income<br>statement for the period 1 January - 31 December<br>2021. Disclosures and notes related to the revenue<br>are discussed in notes 2.4.(b), 24 and 25 of the<br>accompanying financial statements prepared as of<br>31 December 2021.<br>This area is regarded as a key audit matter due to<br>the magnitude of revenue in the financial<br>statements; revenue being generated through as a<br>result of multiple transactions such as sales of<br>marketable securities, intermediary commissions,<br>portfolio management income and corporate<br>finance income; and calculated by using different<br>methods and parameters due to the nature of the<br>Group's operations. | <ul> <li>Within the scope of the audit procedures we applied related to revenue recognition, we evaluated the compliance of accounting policies determined by Group management regarding revenue recognition with TFRS and the relevant legislation. Furthermore, we evaluated and tested the design and operational effectiveness of the internal controls applied by the management to ensure revenue is recognised in accordance with relevant accounting standards. We tested the transaction details using a selected sample from revenue transactions by checking the completeness of the securities sales revenues and service income transactions such as brokerage and portfolio management, which constitute the revenue amount subject to audit by comparing these transaction details to the relevant supporting documentation to verify that the amounts were recognised properly on a transaction basis.</li> <li>In addition, we controlled the consistency of the transaction volumes with the third parties, which were used to calculate the intermediary comissions based on a selected sample.</li> </ul> |

# 4. Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Group management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with TFRS, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

#### 5. Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Responsibilities of independent auditors in an independent audit are as follows:

Our aim is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance expressed as a result of an independent audit conducted in accordance with SIA is a high level of assurance but does not guarantee that a material misstatement will always be detected. Misstatements can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an independent audit conducted in accordance with SIA, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement in the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Assess the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our independent auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence. We also communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### B. Other Responsibilities Arising From Regulatory Requirements

- 1. No matter has come to our attention that is significant according to subparagraph 4 of Article 402 of Turkish Commercial Code ("TCC") No. 6102 and that causes us to believe that the Company's bookkeeping activities concerning the period from 1 January to 31 December 2021 period are not in compliance with the TCC and provisions of the Company's articles of association related to financial reporting.
- 2. In accordance with subparagraph 4 of Article 402 of the TCC, the Board of Directors submitted the necessary explanations to us and provided the documents required within the context of our audit.

PwC Bağımsız Denetim ve Serbest Muhasebeci Mali Müşavirlik A.Ş.

## CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 1. ORGANIZATION AND NATURE OF OPERATIONS

Yapı Kredi Yatırım Menkul Değerler A.Ş., (referred to as the "Company" or "Group" along with its subsidiary in these consolidated financial statements) was founded on 08 September 1989, under the name Finanscorp Finansman Yatırım Anonim Şirketi, in line with the provisions of Capital Market Law No. 2499 and relevant provisions of legislation, for the purpose of performing capital market operations related to all types of capital market instruments, carrying out all types of transactions and entering into contracts in connection with these operations, as well as performing intermediary operations. The founding was promulgated in Turkish Trade Registry Gazette No. 2358 dated 15 September 1989. In 1996, 99.6% of the shares of the Company were transferred to Yapı ve Kredi Bankası Anonim Şirketi ("Bank"). The name of the Company was changed to Yapı Kredi Yatırım Anonim Şirketi on 9 September 1996 and Yapı Kredi Yatırım Menkul Değerler Anonim Şirketi on 5 October 1998.

As of 28 September 2005, 57.4% of the shares of Yapı ve Kredi Bankası A.Ş., the main shareholder of the Company, were sold in accordance with the share purchase agreement between Çukurova Holding A.Ş., several Çukurova Group Companies, Mehmet Emin Karamehmet and Koç Finansal Hizmetler A.Ş. ("KFH"), Koçbank N.V. and Koçbank A.Ş. In the framework of the agreement, KFH became the ultimate parent company of Yapı ve Kredi Bankası A.Ş. with 57.4% shares.

At the Extraordinary General Assembly of the Company at 29 December 2006 the decision to legally merge with Koç Yatırım Menkul Değerler A.Ş. ("Koç Yatırım") in accordance with the related articles of Turkish Commercial Code, Corporate Tax Law, and Capital Market Law and permission of Capital Markets Board No. B.02.1.SPK.0.16-1955 dated 15 December 2006 and to approve the merger agreement has been taken. Accordingly, all rights, receivables, liabilities and obligations were transferred to the Company due to consequential dissolution without liquidation of Koç Yatırım Menkul Değerler A.Ş.

Commercial Registration Office of Istanbul has registered the Extraordinary General Assembly decision dated 29 December 2006 and the merger agreement as of 12 January 2007 and announced the registration at Trade Registry Gazette No. 6724 and dated 16 January 2007.

With the share transfer agreement on 5 February 2020, KFH's capital share in the parent company bank was determined to be 40.95%, and UniCredit S.P.A.'s was determined to be 20%. The Company's parent company is Yapı ve Kredi Bankası A.Ş.("YKB"), and the ultimate parent company is KFH.

The main operations of the Company can be summarized as follows without lending money, except where legislation allows:

a) Buying and selling of capital market instruments within the scope of Capital Market Legislation in the name and account of the customer, in their own name and account or in their own name and in the account of the customer,

(Amounts expressed in Turkish lira ("TRY") unless otherwise indicated.)

#### 1. ORGANIZATION AND NATURE OF OPERATIONS (Continued)

- b) According to the Capital Market Law and Capital Market Board's Regulations ("CMB" or "Board") and "Intermediary Firm with Board Authority" the Company have the following activities:
  - Intermediation Activities (Domestic and Foreign),
    - Shares,
    - Other Securities,
    - Derivatives Based on Shares,
    - Derivatives Based on Share Indices,
    - Other Derivatives,
  - Portfolio Management Activities (Domestic),
    - Shares,
    - Other Securities,
    - Leverage Trading
    - Derivatives Based on Shares,
    - Derivatives Based on Share Indices
    - Other Derivatives,
  - Investment Consulting Activities,
  - Intermediation for Public Offering,
  - Underwriting,

\_

- Best Effort Underwriting,
- Limited Custodian Service.
- c) Performing transactions in exchange markets by being a member of exchanges,
- d) Buying and selling of securities with repurchase and sale commitment,
- e) Using the right to receive the bonus shares, the payment of capital, interest, dividends and similar incomes of the capital market instruments on its customers behalf and accounts in accordance with the authorization given by the customers,
- f) Margin trading, short selling and borrowing and lending the financial instruments.

The Company has 46 investment funds (31 December 2020: 35). As of 31 December 2021, the Group has 295 employees (31 December 2020: 269).

The head office of the Company is located at Levent Mah., Cömert Sok., No.: 1A A Blok, D.: 21-22-23-24-25-27 Levent - Beşiktaş / İstanbul.

In the first half of 2020, various social and economic measures have been taken in order to reduce this negative situation in our country, as in other countries where the COVID-19 epidemic, which has spread globally, has been effective, and measures continue to be implemented with partial changes. The company management continues to take measures to eliminate the possible effects of the epidemic on the Company's activities, as the situation is still developing.

However, the outbreak is not expected to have a significant impact on financial statements and business continuity.

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 1. ORGANIZATION AND NATURE OF OPERATIONS (Continued)

#### Subsidiary;

As of 31 December 2021 and 31 December 2020 details of the subsidiary of the Group are as follows:

| 31 Dev<br>Name of the shareholder             | cember 2021<br>Share<br>in capital | 31 December 2020<br>Share<br>in capital | Main activity        |
|---|------------------------------------|---|----------------------|
| Yapı Kredi Portföy Yönetimi A.Ş. (Subsidiary) | 87.32%                             | 87.32%                                  | Portfolio management |

Yapı Kredi Portföy Yönetimi A.Ş. ("Yapı Kredi Portföy" or "subsidiary") is subject to full scope consolidation as the Company is the main shareholder and has control rights over subsidiary.

The Company's subsidiary Koç Portföy Yönetimi A.Ş. has legally merged with Yapı Kredi Portföy Yönetimi A.Ş. on December 29, 2006. Accordingly, all rights, receivables, liabilities and obligations of Yapı Kredi Portföy were transferred to Koç Portföy. After merger, the Subsidiary has changed its title as Yapı Kredi Portföy Yönetimi A.Ş. and accordingly the Company has an interest of 87.32% (31 December 2020: 87.32%) of the voting rights.

Within the context of the Capital Markets Board regulations, the Subsidiary's principal activities are managing mutual and private funds and performing discretionary portfolio management ("DPM") for institutions, endowments and individuals.

#### Approval of consolidated financial statements:

Consolidated financial statements prepared as of 31 December 2021 have been approved by the Board of Directors of the Company at 1 February 2022. General Assembly and regulatory bodies have the right to amend the approved financial statements.

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS

#### 2.1 Basis of Presentation

#### 2.1.1 Accounting standards and the compliance to TAS

The accompanying financial statements are prepared in accordance with Communiqué Serial II, No:14.1, "Principles of Financial Reporting in Capital Markets" ("the Communiqué") published in the Official Gazette numbered 28676 on 13 June 2013. According to Article 5 of the Communiqué, financial statements are prepared in accordance with the Turkish Financial Reporting Standards ("TFRS") and its addendum and interpretations issued by Public Oversight Accounting and Auditing Standards Authority ("POAASA").

The consolidated financial statements were based on the legal records of the Group and expressed in Turkish Lira; and they have been subject to certain adjustments and classifications in order to fairly present the financial position of the Group in accordance with the Turkish accounting standards issued by POA.

## CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)

#### 2.1 Basis of Presentation (Continued)

#### **Preparation of the financial statements**

The consolidated financial statements of the Group are prepared in accordance with 2020 TFRS Taxonomy published by POA.

#### 2.1.2 Financial statement amendments in hyperinflation economies

With the decision taken on 17 March 2005, the CMB announced that, effective from 1 January 2005, the application of inflation accounting is no longer required for listed companies in Turkey. The Group's consolidated financial statements have been prepared in accordance with this decision.

On 20 January 2022, the Public Oversight Authority made a statement on the Implementation of Financial Reporting in High Inflation Economies within the Scope of Turkish Financial Reporting Standards, Financial Reporting Standard for Large and Medium Sized Enterprises. Accordingly, it has been stated that businesses applying TFRS do not need to make any adjustments in their financial statements for 2021 within the scope of TAS 29 Financial Reporting in High Inflation Economies.

#### 2.1.3 Offsetting

Financial assets and liabilities are offset and the net amount reported in the financial statements when there is a legally enforceable right to set-off the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

#### 2.1.4 Going concern

The Group prepared its consolidated financial statements based on going concern principle.

#### 2.1.5 Comparative figures and the reclassification to the financial statements of the prior period

The Group complies with the principles and articles of valid commercial laws and regulations and Communiqués announced by CMB in the accounting records and the preparation of the consolidated financial statements.

Financial statements of the Company are prepared in comparison with prior financial period in order to enable determination of the financial situation and performance trends. The Company has prepared its balance sheet as of 31 December 2021 in comparison with the balance sheet as of 31 December 2020, and its statement of comprehensive income, cash flow and changes in equity in 1 January - 31 December 2021 financial period in comparison with 1 January - 31 December 2020 financial period. If necessary, comparative information is rearranged to conform to the presentation of the current period consolidated financial statements.

#### 2.1.6 New standards, amendments and interpretations

The Group adopted the standards, amendments and interpretations published by TAS and TFRS and which are mandatory for the accounting periods beginning on or after 31 December 2021.

## CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)

#### 2.1 Basis of Presentation (Continued)

Standards, amendments and interpretations applicable as at 31 December 2021:

- Amendments to IFRS 7, IFRS 4 and IFRS 16 Interest Rate Benchmark Reform Phase 2; effective from annual periods beginning on or after 1 January 2021. The Phase 2 amendments address issues that arise from the implementation of the reforms, including the replacement of one benchmark with an alternative one. The Phase 2 amendments provide additional temporary reliefs from applying specific IAS 39 and IFRS 9 hedge accounting requirements to hedging relationships directly affected by IBOR reform.
- Amendments to IFRS 4 Insurance Contracts deferral of IFRS 9; effective from annual periods beginning on or after 1 January 2023. These amendments defer the date of application of IFRS 17 by two years to 1 January 2023 and change the fixed date of the temporary exemption in IFRS 4 from applying IFRS 9, Financial instrument until 1 January 2023.

#### Standards, amendments and interpretations that are issued but not effective as at 31 December 2021:

- Amendment to IFRS 16, 'Leases' Covid-19 related rent concessions Extension of the Practical expedient; as of March 2021, this amendment extended till June 2022 and effective from 1 April 2021.As a result of the coronavirus (COVID-19) pandemic, rent concessions have been granted to lessees. Such concessions might take a variety of forms, including payment holidays and deferral of lease payments. On 28 May 2020, the IASB published an amendment to IFRS 16 that provides an optional practical expedient for lessees from assessing whether a rent concessions related to COVID-19 is a lease modification. Lessees can elect to account for such rent concessions in the same way as they would if they were not lease modifications. In many cases, this will result in accounting for the concession as variable lease payments in the period(s) in which the event or condition that triggers the reduced payment occurs.
- **IFRS 17, 'Insurance contracts';** effective from annual periods beginning on or after 1 January 2023. This standard replaces IFRS 4, which currently permits a wide variety of practices in accounting for insurance contracts. IFRS 17 will fundamentally change the accounting by all entities that issue insurance contracts and investment contracts with discretionary participation features.
- Amendments to IAS 1, Presentation of financial statements' on classification of liabilities; effective date deferred until accounting periods starting not earlier than 1 January 2024. These narrow-scope amendments to IAS 1, 'Presentation of financial statements', clarify that liabilities are classified as either current or non-current, depending on the rights that exist at the end of the reporting period. Classification is unaffected by the expectations of the entity or events after the reporting date (for example, the receipt of a waiver or a breach of covenant). The amendment also clarifies what IAS 1 means when it refers to the 'settlement' of a liability.

## CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

- 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)
- 2.1 Basis of Presentation (Continued)
- A number of narrow-scope amendments to IFRS 3, IAS 16, IAS 37 and some annual improvements on IFRS 1, IFRS 9, IAS 41 and IFRS 16; effective from Annual periods beginning on or after 1 January 2022.
- Amendments to IFRS 3, 'Business combinations' update a reference in IFRS 3 to the Conceptual Framework for Financial Reporting without changing the accounting requirements for business combinations.
- Amendments to IAS 16, 'Property, plant and equipment' prohibit a company from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, a company will recognise such sales proceeds and related cost in profit or loss.
- Amendments to IAS 37, 'Provisions, contingent liabilities and contingent assets' specify which costs a company includes when assessing whether a contract will be loss-making.

Annual improvements make minor amendments to IFRS 1, 'First-time Adoption of IFRS', IFRS 9, 'Financial instruments', IAS 41, 'Agriculture' and the Illustrative Examples accompanying IFRS 16, 'Leases'.

- Narrow scope amendments to IAS 1, Practice statement 2 and IAS 8; effective from annual periods beginning on or after 1 January 2023. The amendments aim to improve accounting policy disclosures and to help users of the financial statements to distinguish between changes in accounting estimates and changes in accounting policies.
- Amendment to IAS 12 Deferred tax related to assets and liabilities arising from a single transaction; from annual periods beginning on or after 1 January 2023. These amendments require companies to recognise deferred tax on transactions that, on initial recognition give rise to equal amounts of taxable and deductible temporary differences.

#### 2.2 Changes in Accounting Policies and Errors

Significant changes in accounting policies and significant accounting errors identified are to be applied retrospectively and the prior period financial statements are to be restated. There has been no change in accounting policies in 2020.

#### 2.3 Changes in Accounting Estimates

If the changes in the accounting estimates are related to only one period; changes are made only in the related period, if the changes in the accounting estimates related to future periods; changes are made both for the current and future periods, oriented to future periods. There has been no significant change in the Group's accounting estimates in the current period.

## CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)

#### 2.4 Summary of Significant Accounting Policies

#### (a) Basis of consolidation

The consolidated financial statements include the financial statements of the Company and its Subsidiary. Control is exercised when a company has power over financial and operational policies of a business with the purpose of benefiting from the business' operations.

As of 31 December 2021 and 31 December 2020, details of the subsidiary and associate of the Group are as follows:

| 31  | December 2021<br>Ratio of shares | 31 December 2020<br>Ratio of shares |                      |
|---|----------------------------------|-------------------------------------|----------------------|
| Legal entity                                  | in capital                       | in capital                          | Service Line         |
| Yapı Kredi Portföy Yönetimi A.Ş. (Subsidiary) | 87.32%                           | 87.32%                              | Portfolio Management |

#### Subsidiary

Yapı Kredi Portföy Yönetimi A.Ş. ("Yapı Kredi Portföy" or "subsidiary") is subject to full consolidation as the Company is the main shareholder and has control rights over subsidiary.

The Company's subsidiary Koç Portföy Yönetimi A.Ş. has legally merged with Yapı Kredi Portföy Yönetimi A.Ş. on 29 December 2006. Accordingly, all rights, receivables, liabilities and obligations of Yapı Kredi Portföy were transferred to Koç Portföy. After merger, the Subsidiary has changed its title as Yapı Kredi Portföy Yönetimi A.Ş. and accordingly the Company has an interest of %87.32 (31 December 2020: 87.32%) of the voting rights.

Within the context of the Capital Markets Board regulations, the Subsidiary's principal activities are managing mutual and private funds and performing discretionary portfolio management ("DPM") for institutions, endowments and individuals.

The balance sheets and statements of income of the subsidiary are consolidated on a line-by-line basis and the carrying value of the investment held by the Company is eliminated against the related equity.

The minority shares in net assets and operating results are classified as "minority interest". Intercompany transactions and balances between the Company and the subsidiary are eliminated during consolidation. Subsidiary is consolidated from the date on which control is transferred to the Company and will no longer be consolidated from the date that control ceases.

Where necessary, accounting policies of the subsidiary have been changed to ensure consistency with the policies adopted by the Company.

## CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)

#### 2.4 Summary of Significant Accounting Policies (Continued)

#### (b) Revenue recognition

#### (i) Fee and commission income and expenses

Fees and commissions are recognized in the income statement when they are collected or paid. However, fund management, investment consulting fees, intermediary commissions and portfolio management commissions are recognized on an accrual basis. Common stock transaction commissions are netted off with commission rebates.

#### (ii) Interest income, expenses, and dividend income

Interest income and expenses are recognized in the income statement in the period to which they relate on an accrual basis. Interest income consists of income derived from coupons of fixed-rate and variable-rate instruments, income arising from the valuation of discounted government securities on an internal rate of return basis, and interest rates arising from the Takasbank Money Market and reverse repurchase transactions.

Dividend income from common stock investments are recognized when the shareholders have the right to take the dividend.

#### (c) Trade receivables

Trading receivables that arise as a result of providing services to the receiver by the Group are disclosed by offsetting unearned financing income. After the unearned financing income, trading receivables are calculated with the discounted amounts of receivables that are recorded with their original invoice value and realized in next periods with the effective interest rate method. Short-term receivables that do not have any specified interest rate are disclosed with their cost values when there is no major effect of using original effective interest rate.

#### (d) Financial assets

The Group classifies and accounts its financial assets as "Fair value through profit or loss financial assets", "Financial assets measured at fair value through other comprehensive income, "Financial assets measured at amortised cost" and "Loans and receivables".

Sales and purchases of the financial assets mentioned above are recognized at the "settlement dates".

The appropriate classification of financial assets of the Group is determined at the time of purchase and according to the "market risk policies" by the Group management, taking into consideration the purpose of holding the investment.

All financial assets initially are recognized at fair value with purchase expenses of investment, except fair value through profit or loss financial assets.

## CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)

#### 2.4 Summary of Significant Accounting Policies (Continued)

#### (i) Fair value through profit or loss financial assets

In the Group, financial assets which are classified as "Fair value through profit or loss financial assets" are financial assets either acquired for generating profit from short-term fluctuations in the price or dealer's margin, or are the financial assets included in a portfolio in which a pattern of short-term profit making exists independent from the acquisition purpose.

Fair value through profit or loss financial assets are initially recognized at fair value and are subsequently re-measured at their fair value. It is accepted that the fair value is recognized as the best buy order as of the balance sheet date. However, if fair values cannot be obtained from the market transactions, it is accepted that the fair value cannot be measured reliably and that the financial assets are carried at "amortised cost" using the effective interest rate method. All gains and losses arising from these evaluations are recognized in the income statement.

All gains and losses arising from these evaluations, coupon and interest income are recognized in "Financial income" account in the income statement.

#### (ii) Financial assets measured at fair value through other comprehensive income:

Financial assets that are held for collection of contractual cash flows and for selling the assets, where the assets' cash flows represent solely payments of principal and interest, and that are not designated at FVTPL, are measured at fair value through other comprehensive income (FVOCI).

Financial assets measured at fair value through other comprehensive income are subsequently remeasured at fair value. When fair values based on market prices cannot be obtained reliably, the financial assets at fair value through other comprehensive income are carried at "amortised cost" using the effective interest rate method..

"Unrealized gains and losses" arising from changes in the fair value of financial assets classified as financial assets measured at fair value through other comprehensive income are recognized in the shareholders' equity as "Other accumulated comprehensive income that will be reclassified in profit or loss", until the related assets are sold, impaired or disposed. When these financial assets are sold, disposed or impaired, the related fair value differences accumulated in the shareholders' equity are transferred to the income statement.

When these financial assets are disposed of or impaired, the related fair value differences accumulated in the equity are transferred to the statement of profit or loss. Interest and dividends received from financial assets measured at fair value through other comprehensive income are recorded in interest income and dividend income as appropriate.

When these financial assets are disposed of or impaired, the related fair value differences accumulated in the equity are transferred to the income statement.

## CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)

#### 2.4 Summary of Significant Accounting Policies (Continued)

#### (iii) Assets recognized at amortised cost

Financial assets recognized at amortised cost if the retention is in the context of a business model which aimed at collecting contractual cash flows and the contractual terms lead to cash flows contain only principal and interest payments on the principal balance and at specific dates. These assets are initially recognized at acquisition cost including the transaction costs which reflect the fair value of those instruments and subsequently recognized at "amortised cost" by using the effective interest rate method.

#### (iv) Loans and other receivables

Loans and receivables of the Group which are given with the purpose of providing cash to the debtor are carried at amortised cost. All loans are recognized in financial statements after transferring the cash amounts to debtors.

The Group provides loans to its customers for stock purchases.

#### (v) Reverse repurchase agreements

Funds given against securities purchased under agreements ("Reverse Repo") to resell are accounted under "Cash and cash equivalents" on the balance sheet. The difference between the purchase and determined resell price is accrued over the life of repurchase agreements using the effective interest rate method and is recorded as receivables from reverse repo transactions.

#### (e) **Property, plant and equipment**

Property and equipment are carried at cost less accumulated depreciation.

Depreciation on the tangible assets is provided on straight-line method according to their useful lives from the date of recognition or assembly of the related asset. The estimated useful lives of assets are as follows:

| Buildings               | 50 years  |
|-------------------------|-----------|
| Furnitures and fixtures | 4-5 years |
| Leasehold improvements  | 4-5 years |

Estimated useful life and depreciation method are reviewed at each balance sheet date in order to detect the effects of changes in the estimates and if appropriate, the changes in estimates are accounted.

Where the carrying amount of an asset is greater than its estimated recoverable amount, it is written down to its recoverable amount and the provision for the impairment in value is charged to the income statement.

Gains and losses on the disposal of assets are determined by deducting the net book value of the assets from its sales proceeds and charged to the income statement in the current period.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease.

## CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)

#### 2.4 Summary of Significant Accounting Policies (Continued)

#### (f) Intangible assets

Intangible assets consist of acquired rights, information systems and software. These assets are recorded at original costs and amortised over their estimated useful lives, approximately 3-5 years, using the straight-line method. Estimated useful lives and amortization method are reviewed annually and the changes in estimates are recognized to determine the possible effects of the changes in estimates.

The book value of intangible assets are reduced to recoverable value, if impairment exists.

The Group makes project investments on the basis of information operations in order to improve its existing systems, within this scope, projects that are determined to provide economic benefits to the Group in the future are capitalized. The Group reviews its capitalized but not yet completed projects and expense the amount of assets that it concludes that it will not provide economic benefits to the Group in the future. No amortization is calculated on projects that are classified as intangible fixed assets but are not yet ready for use.

#### (g) Impairment of financial assets

Financial assets, other than those measured at fair value through profit or loss are subject to impairment testing at each balance sheet date to determine whether there is any indication of impairment of financial asset or financial asset group. A financial asset or group of financial assets is impaired and impairment losses are incurred if there is objective evidence of impairment because of one or more events that occurred after the initial recognition of the assets. That loss event or events must also have an impact on the estimated future cash flows of the financial asset or group of financial assets. The amount of impairment for loans and receivables is the difference between present value of the estimated future cash flows discounted using the effective interest rate and its book value. The Group books a provision for the doubtful receivables when there is an objective evidence between the book value and collectible receivable amount. The collectible amount is the difference between the book value and collectible receivable amount. The collectible guarantees and securities. In the event of the collections of the doubtful receivables whether the whole amount or some part of it, after booking the provision for the doubtful receivables, the collected amount is deducted from the doubtful receivables provision and recorded as income.

The carrying amount of the financial asset is reduced by impairment loss directly for all financial assets with the exception of trade receivables where the carrying amount is reduced with an allowance account.

In all financial assets with the exception of trade receivables where the net book value is reduced through the use of an allowance account, the impairment is deducted directly from the carrying amount of the related financial asset. In the event that the case of the trade receivable cannot be collected, become certain, the related amount is deducted from the provision account. Changes in the provision account are recognized in the income statement.

If the impairment loss decreases in the subsequent period, and this decrease can be associated with an event occurring after recognition of the impairment loss-except for equity instruments whose fair value difference is recognised under comprehensive income-the previously recognised impairment loss is written off on the income statement in such a way that it does not exceed the amortised cost occurring when the impairment of the investment is not recognised on the date the impairment is written off.

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)

#### 2.4 Summary of Significant Accounting Policies (Continued)

#### Expected credit losses measurement

The measurement of the allowance for expected credit loss for financial assets measured at amortised cost and at fair value through other comprehensive income is an area that requires the use of the financial position and future relevant economic assumptions and advanced models.

A group of important decisions is required to apply the accounting requirements for measuring expected credit losses. These are:

- Determination of criteria for significant increase in credit risk,
- Selection of appropriate models and assumptions for measuring expected credit losses,
- Identify the related expected credit loss and the number and likelihood of prospective scenarios for each type of product / market,
- Identification of a similar group of financial assets for the purposes of measuring expected credit losses.

#### (h) Financial liabilities

#### (i) Repurchase agreements

Securities subject to repurchase agreements ("Repo") are classified as "Fair value through profit or loss financial assets", "Financial assets measured at fair value through other comprehensive income" and "Financial assets measured at amortised cost" according to the investment purposes of the Group and measured according to the portfolio to which they belong.

Funds obtained from repurchase agreements are accounted under "Financial liabilities" in liabilities and the difference between the sale and repurchase price is accrued over the life of the repurchase agreements using the "effective interest rate method" and is added to the cost of the financial assets which are subject to repurchase agreements.

The Group has no securities lending transactions.

#### (ii) Other financial liabilities

Other financial liabilities are initially recognized at fair value and are subsequently measured at amortised cost using the effective interest rate method.

#### (1) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognized in the profit or loss in the period in which they are incurred.

## CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)

#### 2.4 Summary of Significant Accounting Policies (Continued)

#### (i) Foreign exchange transactions

Transactions denominated in foreign currencies are accounted for at the exchange rates prevailing at the date of the transactions; monetary assets and liabilities are accounted for at the period-end bid rate of Central Bank of the Republic of Turkey ("CBRT"). Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies are recognized in the income statement. The group has been managing its on-balance and off-balance sheet assets and liabilities in the same currency over the net balance sheet position.

#### (j) Provisions and contingent assets and liabilities

Provisions are recognized when there is a present legal or constructive obligation because of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount of the obligation can be made. When the amount of the obligation cannot be estimated and an outflow of resources is not probable, it is considered that a "contingent" liability exists and it is disclosed in the related notes to the financial statements.

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits to the entity. Contingent assets are not recognized in consolidated financial statements since this may result in the recognition of income that may never be realized. Contingent assets are disclosed where an inflow of economic benefits is probable.

Contingent assets are assessed continually to ensure that developments are appropriately reflected in the consolidated financial statements. If it has become virtually certain that an inflow of economic benefits will arise, the asset and the related income are recognized in the consolidated financial statements in the period in which the change occurs.

#### (k) Subsequent events

Subsequent events cover any events which arise between the date of approval of the financial statements and the balance sheet date, even if they occurred after declaration of the net profit for the period or specific financial information is publicly disclosed. The Group adjusts its financial statements if such subsequent events require an adjustment to the financial statements.

#### (l) Related parties

For the purpose of these consolidated financial statements, shareholders, subsidiaries of Yapı ve Kredi Bankası A.Ş. with direct and / or indirect capital relation, Koç Holding A.Ş. and Unicredito Italiano S.p.A group companies, key management personnel and board members, their families and companies are considered as "related parties".

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)

#### 2.4 Summary of Significant Accounting Policies (Continued)

#### (m) Taxes calculated over Group's profit

#### Corporate tax

Corporate tax is calculated according to the Tax Procedural Law, and tax expenses except corporate tax are recognized in operating expenses.

Turkish tax regulations do not enable the parent company to give tax statement over the consolidated financial statements of its subsidiaries and affiliates. Due to this reason, tax provisions reflected to these consolidated financial statements are calculated for each company the full consolidation scope.

Corporate tax is subjected to offsetting when a legal right about netting off the current tax assets and liabilities or when they are related to the corporate tax collected by the same tax regulatory.

#### Deferred tax

Deferred income tax is provided in full, using the liability method, for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

The deferred tax assets and the deferred tax liabilities can be netted off only if there is a legal right in this respect according to the tax legislation of the country they are dependent on.

Material temporary differences arise from miscellaneous expense provisions and valuation differences related to financial assets whose fair value differences are recognised under: other comprehensive income, premises owned by the Group, personnel premium, severance pay and leave, expected credit losses, and litigation provisions.

Deferred tax liabilities and assets are recognized when it is probable that the future economic benefit resulting from the reversal of temporary differences will flow to or from the Company. Deferred tax assets resulting from temporary differences in the recognition of expense for income tax and financial reporting purposes are recognized to the extent that it is probable that future taxable profit will be available, against which the deferred tax asset can be utilized.

Current tax except for the related items accounted under "Value increase fund" account in equity and deferred tax of the regarding period is accounted as income or expense in the statement of income.

## CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)

#### 2.4 Summary of Significant Accounting Policies (Continued)

#### (n) Employee benefits

#### Defined benefit plans:

The Group accounts for employee termination benefits, vacation rights and other benefits to employees in accordance with "Turkish Accounting Standard for Employee Rights" ("TAS 19") and they are classified under "Provisions for employee benefits" in the balance sheet.

Under the Turkish Labour Law, the Group is required to pay a specific amount to the employees who have retired or whose employment is terminated other than for the reasons specified in the Turkish Labour Law. The reserve for employment termination benefits represents the present value of the estimated total reserve for the future probable obligation of the Company arising from this liability regarding the actuarial projections and reflected to consolidated financial statements.

#### Defined contribution plans:

The Group has to pay contribution to Social Security Institution (Institution) for its employees within the contribution margin decided by the law. The Group does not have other liabilities to its employees or to Institution other than the contribution for its employees. Those contributions are expensed on the date of accrual.

#### (o) Capital and dividends

Ordinary shares are classified in equity. Dividends over ordinary shares are classified as dividend payable by deducting from accumulated profits, when the decision of dividend distribution is taken.

#### (ö) Statement of cash flows

For the purposes of statement of cash flows, cash and cash equivalents include due from banks with maturity less than three months, receivables from reverse repo transactions and investment funds.

#### (p) Share certificates and issuance

At capital increases, the Group accounts the difference between the issued value and nominal value as share issue premium under equity, in the case where the issued value is higher than the nominal value. The Group has no decision for profit distribution after the balance sheet date.

#### (r) Assets held for sale and discontinued operations

Discontinued operation is defined as a part of the Group with distinguished operations and cash flows that is disposed of or classified as held for sale. Results of discontinued operations are disclosed separately in the income statement.

A tangible asset (or a disposal group) classified as "Asset held for sale" is measured at lower of carrying value or fair value less costs to sell. An asset (or a disposal group) is regarded as "Asset held for sale" only when the sale is highly probable and the asset (disposal group) is available for immediate sale in its present condition. For a highly probable sale, there must be a valid plan prepared by the management for the sale of asset including identification of possible buyers and completion of sale process. Furthermore, the asset should be actively in the market at a price consistent with its fair value.

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

#### 2. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS (Continued)

#### 2.4 Summary of Significant Accounting Policies (Continued)

#### (s) Derivative instruments

The Group's derivative transactions are composed of foreign currency / interest rates swaps, forward contracts and future transactions. Derivative financial instruments are initially measured at fair value on the contract date, and are remeasured to fair value at subsequent reporting periods.

#### 2.5 Significant accounting judgements, estimates and assumptions

The Group makes estimates and assumptions that affect the reported amounts of assets and liabilities or amounts of contingent assets and liabilities, and income and expense reported in the related period. Even though these assumptions and estimates are based on the best estimates of the Group's management, the actual results might differ from them.

Judgements that have the most significant effect on the amounts recognized in the consolidated financial statements and estimates that can cause a significant adjustment to the carrying amount of assets and liabilities within the next financial year include:

#### Financial assets measured at amortised cost

Classification of financial assets as measured at amortised cost is at management discretion within the scope of management's objective and capability. If the Group cannot manage to retain these assets until the maturity date, they will have to reclassify them as financial assets measured at fair value through other comprehensive income, except specific cases as for example, selling of immaterial amount close to maturity date. In this case, investments are measured at their fair value instead of amortised cost.

## Establishment of fair value of stock investments classified as financial assets measured at fair value through other comprehensive income

The Group calculates the fair values of financial instruments that do not have an active market by making use of market-based similar transactions without reference, or by taking the fair values of similar instruments as a reference.

#### Deferred income tax asset recognition

Deferred income tax assets are recorded to the extent that realization of the related tax benefit is probable. The future taxable profits and the amount of tax benefits that are probable in the future are based on medium term business plan prepared by management and extrapolated results thereafter. The business plan is based on management expectations that are believed to be reasonable under the circumstances.

#### 3. BUSINESS COMBINATIONS

None (31 December 2020: None).

### **18. PROVISION FOR EMPLOYEE BENEFITS**

|   | 31 December 2021 | 31 December 2020 |
|---|------------------|------------------|
| Short-term provisions                       |                  |                  |
| Provision for employee bonus                | 37,379,109       | 26,242,787       |
|   | 37,379,109       | 26,242,787       |
| Long-term provisions                        |                  |                  |
| Provision for employee termination benefits | 16,910,512       | 11,670,627       |
| Provision for unused vacation               | 3,198,610        | 2,100,587        |
|   | 20,109,122       | 13,771,214       |

Under the Turkish Labour Law, the Group required to pay the employment termination benefits to each employee who have completed one year of service at the Group when they retire (for women 58, for men 60) and when they are dismissed or called up for military services or die. Due to changes in the Law on September 8, 1999, some sections regarding the temporary period related with the working period before retirement have been removed.

The indemnity is one month's salary for each working year and is limited to TRY10,848.59 as of 31 December 2021 (31 December 2020: TRY7,638.96)

The liability is not funded, as there is no legal funding requirement.

The provision has been calculated by estimating the present value of the future probable obligation arising from the retirement of employees.

# CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Tutarlar aksi belirtilmedikçe Türk Lirası ("TL") olarak ifade edilmiştir.)

### **18. PROVISION FOR EMPLOYEE BENEFITS (Continued)**

TFRS requires actuarial valuation methods to be developed to estimate the Group's obligation under defined benefit plans. Accordingly, the following actuarial assumptions have been used in the calculation of the total liability.

| •  | 31 December 2021 | 31 December 2020 |
|--|------------------|------------------|
| Discount rate (%)                                    | 4.45             | 4.63             |
| Turnover rate to estimate retirement probability (%) | 95.48            | 95.48            |

The principal assumption is that the maximum liability for each year of service will increase in line with inflation. Thus, the discount rate applied represents the expected real rate after adjusting for the anticipated effects of future inflation. The liability is revised two times in a year and in the year-end calculation, the effective amount as of 1 January 2021 of TRY10,848.59 (1 January 2020: TRY7.638,96).

Movement of provision for employee benefits during the period are as follows:

|                                    | 2021        | 2020        |
|------------------------------------|-------------|-------------|
| Beginning of the period, 1 January | 11,670,627  | 11,174,984  |
| Service cost                       | 624,392     | 644,045     |
| Interest cost                      | 2,164,764   | 1,380,434   |
| Actuarial loss / (gain)            | 3,663,470   | 959,725     |
| Payments during the period (-)     | (1,212,741) | (2,488,561) |
| Ending of the period, 31 December  | 16,910,512  | 11,670,627  |

Movement of provision for unused vacations during the period are as follows:

|  | 2021      | 2020      |
|--|-----------|-----------|
| Beginning of the period, 1 January                                 | 2,100,587 | 3,122,600 |
| Provisions set aside within the period / (canceled provision), net | 1,218,392 | (325,434) |

Adjustment to share capital represents the difference between total restatement effect of cash and cash equivalent contributions to share capital due to the inflation adjustments and total amount before the inflation adjustment. There is no use of the adjustment to share capital other than to be added to the capital.

According to Turkish Commercial Code, legal reserves consist of primary and secondary reserves. Primary reserves are reserved at 5% rate of legal profit in the period until they reach a level of 20% of the group capital. Secondary reserves are reserved at a rate of 10% of all dividend distribution exceeding 5% of group capital. Primary and secondary reserves cannot be distributed until they exceed 50% of the total capital, however, they can be used to cover losses when voluntary reserves are exhausted.

As of 31 December 2021, restricted reserves are amounting to TRY186,831,858 (31 December 2020: TRY184,106,085).

#### **Restricted reserves and retained earnings**

### 22. SHAREHOLDER'S EQUITY (Continued)

In accordance with the Communiqué on Dividends II-19.1 of the Capital Market Board effective as of 1 February 2014, the dividend distribution rate for non-listed companies may not be less than twenty percent of the net distributable profit for the period including donations. In accordance with the same communiqué, non-listed companies are required to distribute the profit share in whole and in cash; and they cannot benefit from the practice of profit distribution by installments, which is granted to listed companies.

In accordance with the provisions of the said communiqué, non-listed companies may choose not to distribute dividends in the event that the calculated profit share is less than five percent of the capital stock in the most recent annual financial statements to be presented to the general assembly or in the event that the net distributable profit for the period is less than TRY100,000 according to these financial statements. In this case, the undistributed dividends are distributed in subsequent periods.

At the company's Ordinary General Assembly meeting dated 4 March 2021 it was unanimously decided to distribute, in cash, a dividend of TRY32,203,640 (2020: TRY115,223,684) to the company's shareholders, and this amount was paid to shareholders on 15 March 2021.

|--|---|--|
| Profit before tax  | 636,905,199                               | 358,510,320                            |
| Theoretical tax expense arising at the legal tax rate (*)<br>Impact of the dividend income that is not subject to tax<br>Non-deductible expenses and impact of other adjustments | (159,226,300)<br>4,148,881<br>(8,166,029) | (78,872,270)<br>3,373,347<br>(967,596) |
| Current period tax expense   | (163,243,448)                             | (76,466,519)                           |

(\*) In Turkey, the corporation tax rate is 25% for 2021. (2020: 22%).

The corporate tax rate is 20% in accordance with the article number 32 of the New Corporate Tax Law no.5520 which is published in the official Gazette dated June 21, 2006 and numbered 26205. In accordance with the 11 and 14th articles of the Law numbered 7316 on "Amendment of Law on Collection Procedure of Public Receivables and Certain Laws" published in the Official Gazette dated April 22, 2021 and numbered 31462, starting from the declarations that must be submitted starting from July 1, 2021 and to be valid for the taxation period starting from January 1, 2021, corporate tax rate will be applied as 25% for enterprises' corporate income belonging to the taxation periods of 2021 and 23% for enterprises' corporate income belonging to the taxation periods of 2022. The corporate tax rate is still applied as 20% in the first provisional tax declaration for the corporate income belonging to the taxation periods of 2021 but as of second provisional tax declaration the rate of 25% will be applied.

Corporate tax rate business income tax in accordance with the laws of the institutions to be added as unacceptable the reduction of costs in the tax laws, exemptions and reductions to the tax base found as a result of the reduction that will be applied. Additional tax is not payable unless the profit is distributed.

Dividends paid to non-resident corporations, which have a place of business in Turkey, or resident corporations are not subject to withholding tax. Otherwise, dividends paid are subject to withholding tax at the rate of 15% in accordance with 94th article of Income Tax Law. Addition of profit to share is not considered as dividend payment.

Corporations are required to pay advance corporate tax quarterly on their corporate income. Advance tax is declared and paid by the 17th day of the second month following each calendar quarter end. Advance tax paid by corporations for the current period is credited against the annual corporation tax calculated on the annual corporate income in the following year. Despite the offset, if there is temporary prepaid tax remaining, this balance can be refunded or used to offset any other financial liabilities to the government.

(Amounts expressed in Turkish lira ("TRY") unless otherwise indicated.)

#### 23. TAX ASSETS AND LIABILITIES (Continued)

In Turkey, there is no procedure for a final and definitive agreement with the tax authorities on tax assessments. Tax returns are required to be filled and delivered to the related tax office until the last evening of the fourth month following the balance sheet date and the accrued tax is paid same day.

Tax returns are open for five years from the beginning of the year following the date of filing during which period the tax authorities have the right to audit tax returns, and the related accounting records on which they are based, and may issue re-assessments based on their findings.

Under the Turkish Corporate Tax Law, losses can be carried forward to offset against future taxable income for up to five years. However, losses cannot be carried back to offset profits from previous periods.

There are numerous exemptions in Corporate Tax Law concerning corporations. Accordingly, earnings of the above-mentioned nature, which are in the commercial profit/loss figures, have been taken into account in the calculation of corporate tax.

In addition to exemptions explained above, tax deductions specified in Corporation Tax Law articles 8, 9, 10, and Income Tax Law article 40, are also considered in the assessment of the corporation tax base.

The law on amending the Tax Procedure Law and the Corporate Tax Law was enacted with the number 7532 on 20 January 2022. It has been decided that the financial statements will not be subject to inflation adjustment, regardless of whether the financial statements have been made. In line with the Law No. 7352, inflation adjustment will be applied to the financial statements dated 31 December 2023, and the profit/loss difference arising from the inflation adjustment will be shown in the previous years' profit/loss account and will not be taxed.

#### 30. EARNINGS PER SHARE

The calculation of earnings per share for the years ending 31 December 2021 and 2020 is as follows:

|   | 31 December 2021                       | <b>31 December 2020</b>             |
|---|--|-------------------------------------|
| Total profit from continuing operations                         | 473,661,751                            | 282,043,801                         |
| Weighted average number of shares                               | 9,891,808,346                          | 9,891,808,346                       |
| Earnings per share from continuing operations (Krs)             | 4.79                                   | 2.85                                |
|   |  |                                     |
|   | 31 December 2021                       | 31 December 2020                    |
| Total comprehensive income                                      | <b>31 December 2021</b><br>471,379,493 | <b>31 December 2020</b> 282,272,025 |
| Total comprehensive income<br>Weighted average number of shares |  |                                     |

The company does not have any diluted shares (31 December 2020: None).

#### 31. FINANCIAL RISK MANAGEMENT

The Group is subject to risks because of its commercial activities. The details and management of these risks are explained below. The Group management is fully responsible for the management of financial risk.

#### a. Information on credit risk

Credit risk is the risk that one party to a financial instrument will fail to meet the terms of their agreements as foreseen and cause the other party to incur a financial loss.

For the loans provided, a default risk that the counterparty will not be able to fulfill the liabilities associated with the loan is present. The Group attempts to control credit risk by monitoring credit exposures, limiting transactions with specific counterparties, and continually assessing the creditworthiness of counterparties. The Group also manages credit risk by keeping equity shares obtained from loan customers as collateral. Credit risk is fully concentrated in Turkey where the Group mainly operates.

Limits of new credits and additional credit limits are bound by the limits approved by Credit Committee and Board of Directors. Limits to be provided to customers are initially proposed by the Credit Committee and approved by the Board of Directors.

The Group makes a regular collateral / equity check for credit transactions where the current equity and benchmark equity is compared. If the collateral amount falls below the benchmark amount, additional collateral is requested from the customer.

The common stocks which the customers would like to buy using credit are bound to be in the "Marketable Securities Accepted for Credit Purchase" list. The items to be included in this list are determined by considering factors like transaction volume, changes in transaction volume, free float rate, liquidity and amount of shares in circulation. The common stocks in the customer's portfolio are accepted, as collateral if the customer would like to buy common stocks other than the stocks listed in "Marketable Securities Accepted for Credit Purchase".

The share of the receivables from the biggest 10 credit customers in the total receivables from credit customers of the Group is 65% (31 December 2020: 65%).

#### 31. FINANCIAL RISK MANAGEMENT (Continued)

#### b. Information on market risk

#### Interest rate risk

The need of Group's dealing ways with interest risk rate arises from effects of interest rates changes on the financial instruments. The sensitivity of the Group to interest rate risk is related with maturity mismatch of assets and liabilities. This risk is managed through corresponding assets that are sensitive to interest rates with similar liabilities.

Financial assets classified in the Group's balance sheet either as financial assets measured at fair value through other comprehensive income or treasury bills and government treasuries measured at amortised cost with floating interest rate are exposed to price risk due to interest rate changes. Those with fixed interest rates from financial assets measured at amortised cost may be exposed to risk of re-investment if they are directed to re-invest the resulting cash.

The table below shows the interest rate position details and sensitivity analysis as of 31 December 2021 and 2020:

#### **Interest rate position table**

| Fixed rate financial instruments  | <b>31 December 2021</b>                                 | 31 December 2020   |
|---|---|--|
| Financial assets  |   |  |
| Banks   | 3,387,350,531   | 2,723,384,337  |
| Financial liabilities   |   |  |
| Funds generated from Takasbank Money Market<br>Issued bonds and bills<br>Bank loans<br>Funds generated from repo transactions<br>Leasing payables | 2,520,562,552<br>561,668,956<br>17,384,702<br>3,923,923 | 2,322,937,445<br>109,503,579<br>339,188,139<br>87,624,150<br>3,527,707 |
| Variable rate financial instruments   | <b>31 December 2021</b>                                 | 31 December 2020   |
| Financial assets  |   |  |
| Financial assets measured at amortised cost (*)<br>Financial assets measured at fair value through other  | 7,696,313   | 37,630,962   |
| comprehensive income  | 58,870,959  | 119,853,834  |

(\*) Financial assets that bear an interest rate and are classified as financial investments measured at amortised cost.

Due to the impact of interest rate changes on financial assets that have variable rate, if the interest in TRY currency increase/decrease 100 basis points as of December 31, 2021 and all other variables remained constant, the profit would increase by TRY665,673 (31 December 2020: TRY1,574,848) or TRY665,673 (31 December 2020: TRY1,574,848) would decrease.

Financial liabilities with fixed interest rates and financial assets measured at amortised cost with fixed interest rates are assumed insensitive to changes in market interest rates. If the financial assets measured in these circumstances are measured at amortised cost, the redemption rate may be exposed to risk if the resulting cash is redirected to cash.

#### 31. FINANCIAL RISK MANAGEMENT (Continued)

Off-balance sheet liabilities in foreign currencies consist of guarantee letters and derivative transactions (Note 17).

The following table shows the sensitivity of the Group for the change of a 20% change in USD, EUR and other currencies. These amounts represent the equity effect apart from net profit for the period and effect of net profit for the period of USD, 20% increase of EUR and other foreign currencies against TRY. According to the analyses of the Group's sensitivity where, all other variables are kept as constant.

#### 31. FINANCIAL RISK MANAGEMENT (Continued)

#### d. Share certificate price risk

The majority of the stocks classified in the Group's balance sheet as fair value through profit or loss financial assets and financial assets measured at fair value through other comprehensive income are traded on the BIST. According to the Group's analysis, if the Group has a 10% increase / decrease in the prices of the shares in its portfolio, assuming that all other variables remain constant, effects occurring on the carrying value of the shares in the portfolio which are traded in BIST, on growth funds, on the net profit of the year and shareholders' equity are presented below.

#### 31 December 2021

| Balance sheet item                | Rate of change | Change direction | Effect on<br>carrying value | Effect on<br>revaluation fund | Effect on net<br>income | Effect on<br>equity |

#### e. Liquidity risk disclosures

Liquidity risk is the possibility that the Group is unable to meet its net funding commitments and is defined as the risk of loss because of not being able to close positions at all or at an appropriate price because of barriers in the market. Liquidity risk stems from deterioration in markets or occurrence of events resulting in diminution of fund resources such as fall of credit ratings. The management of the Group controls liquidity risk by allocating fund resources and keeping a sufficient level of cash and cash equivalents to meet its existing and possible obligations.

#### **32. FINANCIAL INSTRUMENTS**

#### Fair value of financial instruments

Fair value is the amount for which an asset could be exchanged, or a liability settled between knowledgeable, willing parties in an arm's length transaction.

The estimated fair values of financial instruments have been determined by the Group using available market information and appropriate valuation methodologies. However, judgement is necessarily required to interpret market data to estimate the fair value. Accordingly, the estimates presented herein are not necessarily indicative of the amounts the Group could realize in a current market exchange.

The following methods and assumptions were used to estimate the fair value of the financial instruments for which it is practicable to estimate fair value:

#### *i. Financial assets:*

The fair values of financial assets carried at cost, including cash and cash equivalents and other financial assets, are considered to approximate their respective carrying values due to their short-term nature and their insignificant credit risk.

Market prices are used on the determination of the fair values of government bonds and common stocks.

Financial investments' costs, fair value and carrying values are disclosed in Note 7.

# CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Amounts expressed in Turkish lira ("TRY") unless otherwise indicated.)

### 32. FINANCIAL INSTRUMENTS (Continued)

#### ii. Financial liabilities:

The fair values of monetary liabilities are considered to approximate their respective carrying values due to their short-term nature.

.The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3: Techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

Financial assets and financial liabilities carried at fair value:

# CONVENIENCE TRANSLATION INTO ENGLISH OF EXPLANATORY NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2021 ORIGINALLY ISSUED IN TURKISH

(Amounts expressed in Turkish lira ("TRY") unless otherwise indicated.)

### **33. DISCLOSURE OF OTHER MATTERS**

#### a. Explanation on portfolio management operations:

As of 31 December 2021, the Group managed 46 mutual funds and 20 pension funds (31 December 2020: 35 mutual funds and 26 pension funds). In accordance with the Funds' statute, the Group purchases and sells securities and share certificates for the Funds, markets their participation certificates and provides other services and charges daily management fees. As of 31 December 2021, the Group earned a management fee of TRY232,033,214 (31 December 2020: TRY151,858,079).

#### b. Capital management and capital adequacy requirements

The Group aims to increase its profit by using liability and equity balance in the most efficient way. The Group's funding structure is mainly composed of equity items.

The Group defines and manages its capital in accordance with CMB's Communiqué Series: V No: 34 on capital and capital adequacy of intermediary institutions. According to the related communiqué, the equity of intermediary institutions is composed of the portion of total assets, which are valued according to the valuation principles discussed in Communiqué Serie: V No: 34 and are present in the balance sheet prepared as of the valuation date. According to the communique which is published on 11 July 2013 and named as Communiqué Series: V No: 34, capital adequacy base of intermediaries, TRY10,000,000 for partial authorized intermediaries and 25,000,000 for broad authority intermediaries. The Company has broad authority intermediation license dated 15 January 2016 and numbered G-028 (286). Accordingly, the total equity required by the company as of 31 December 2021, including the annual revaluation, was calculated to be TRY29,216,340 (31 December 2020: TRY28,693,544).
